Reception—September 2024

We welcomed our New Entrants for September 24 into school this week. They had a 'stay and play' afternoon with our current Year R children and Apple Class team, and will be back again for another visit next week. We look forward to you all joining us in September.

Summer dining!

Thank you to the team of willing parents who helped to put up the gazebos these week, providing shade over the picnic benches. It has been lovely that the weather is finally warm enough for the children to eat their lunch outside.

Motor Road—Road Closure, 8.00am—6.00pm, 24th—28th June

You may have noticed a sign outside school notifying of the imminent closure of Motor Road for resurfacing works. We have been assured that this will not affect access to school during these times.

Our **Rambling Club** took some gloves and a bag on their walk yesterday—look what they collected! Let's all do our bit to help by not dropping litter and picking up, where possible.

There also seems to be an extraordinary amount of dog mess, particularly along Centurion Way, and Mr Williams has also noticed this when walking Monty early in the morning.

Again, lets all do our bit and clear up after our dogs.

A reminder, once again, to please adhere to the speed limit in West Dean. It has been reported that vehicles are speeding through the village, particularly at school drop off and pick up times, in spite of the presence of traffic calming devices. This includes vehicles that are arriving at and leaving our school. This is for everyone's safety, including the children at our school who are crossing the road at these busy times.

Swimming Pool:

Now that the summer seems to have arrived we are using the pool more and more and the children are loving being able to swim. However, we have had some reports of verrucas. If you know that your child has a verruca, please ensure that it is treated and your child has a Verruca sock/socks to wear while poolside and swimming.

Chestnut Tree House Owl Project

Don't forget, the purpose of our recent 'Little Hoot' Owl project is to raise funds to support the incredibly valuable work of Chestnut Tree House children's Hospice. You can make a donation on our JustGiving page at:

West Dean CE Primary School Olympic & Paralympic Showcase

Join us for a celebration of this term's learning about the Olympic & Paralympic Games on **Monday 8th July** in a marquee on the lawn of West Dean College.

A colourful range of the children's work will be on display in the marquee and there will be short performances of song, dance and drama on the stage. The showcase gallery will be open for visitors between **5pm and 8pm**, with stage performances spread throughout the evening, starting with the youngest children. More details to follow soon.

Ticks

A parent has informed us that they found a tick on their child this week. Unfortunately, although we always look out for ticks on the children, this is an unavoidable part of being in our rural setting in the summer. Here is some advice from the South Downs National Park Authority:

Ticks are tiny spider-like creatures found in moist areas of dense vegetation or long grass in woodland, grassland, moorland, heathland and some urban parks and gardens.

They can be found throughout the year, but are most active between spring and autumn. They feed on the blood of birds and mammals, including humans.

Some ticks carry the bacteria responsible for Lyme disease, an infection that can spread to humans if bitten by infected ticks.

It is possible to reduce the risk of tick bites by following some simple advice:

- When possible, stick to footpaths and avoid long grass when walking or cycling
- Wear long sleeved shirts and trousers tucked into your socks when near tick-infested areas
- Wearing light-coloured fabrics that may help you spot a tick on your clothes
- Use insect repellent on any exposed skin
- Check your skin and clothes for ticks at the end of the day, removing any you find as soon as possible
- Regularly check your pets for ticks
- If Lyme disease is left untreated, you could develop severe symptoms. Lyme disease is treatable if caught early, so it's important to know the symptoms and look out for them.

Read full NHS advice on ticks and Lyme disease.

Children's Basketry Course

Looking to get your child into healthy, stimulating

activities this summer? At Makers Barn we're running a Willow Basket Making workshop with a local,

professional basket maker on 10th August.

If your child is between 8 and 15 and would enjoy

getting creative, working with their hands in the fresh air in a beautiful setting with an expert in her field....and 7 other young people.... then this is just what they need!

Catherine will give everyone a pre made base and the

children will learn how to weave their own basket which they will take home at the end of the workshop....this workshop has four places left so if you're interested please email Rosie at info@makersbarn.co.uk

The session requires adult supervision and will begin at 12 for a 12:30 start. The cost is £85 which includes all tuition, materials and refreshments/snacks. It'll be a great afternoon so hope to see some of you there!

SOS—Save our Sunflowers - Plea for egg shells :

Please could you save any egg shells that you may have and bring them in, washed, for our school gardens.

We're trying to keep the slugs at bay and crushed egg shells seem to be a good, environmentally friendly way of doing this.

West Dean PTA are running several fundraisers in the next few months to raise vital funds for West Dean Primary School and we need your help!

We are looking for any donations of Wine, Beer, Spirits or Bottles please.

All donations need to be brand new, sealed and in date. Thank you for your support!

Please leave all donations before 1pm June 13th at West Dean School Reception
